Subject: Data validation reports for PCDD/PCDF

Hi Stephanie,

Happy New Year.

Rob asked us to send you the data validation reports for PCDD/PCDF that were mistakenly omitted from Appendix J of the Draft 2012 Sediment Chemistry Background Data Report submitted on October 30, 2013.

The attached file is the validation reports for PCDD/PCDF and we have also incorporated the file into Appendix J so the appendix will be complete for the next submittal.

Please let me know if you receive the file. If it is too large, we can send it via YouSendIt.

Thank you.

Karen

***** ATTACHMENT NOT DELIVERED ***** This
Email message contained an attachment named image001.jpg which may be a
computer program. This attached computer program could contain a computer virus
which could cause harm to EPA's computers, network, and data. The attachment
has been deleted. This was done to limit the distribution of computer viruses
introduced into the EPA network. EPA is deleting all computer program
attachments sent from the Internet into the agency via Email. If the message
sender is known and the attachment was legitimate, you should contact the
sender and request that they rename the file name extension and resend the
Email with the renamed attachment. After receiving the revised Email,
containing the renamed attachment, you can rename the file extension to its
correct name. For further information, please contact the EPA Call Center
at (866) 411-4EPA (4372). The TDD number is (866) 489-
4900. ***** ATTACHMENT NOT DELIVERED *****
